	Screws				SWSCREW10		5

A MOMO hub adaptor will be required when installing a MOMO steering wheel. This will delete the use of the airbag in vehicles so equipped. MOMO hub adaptors may also limit the use of electronics such as horn function and cruise control. MOMO states that the use of its steering wheels on vehicles originally equipped with an air bag are for show vehicle or off-highway use only. Check your local laws before installation.

Hubs

Style	Description	Serial	Part Number	MAP	MSRP
Standard Hub	Vehicle Specific - See hub chart			72	90
Special Application Hubs	Corvette		2702	90	100
	Nissan 350Z		3516	90	100
	Lexus IS300		7735	90	100
	Scion xA, xB		7734	90	100
